

**MINUTES OF THE 10/11/16
DEVELOPMENT COMMITTEE MEETING**

Old Business

1. There was a discussion regarding improvements to Unit 168. No decision was made
2. A motion from Carl & Shelby Meyers (Unit 233) to move the stairs in front of their home was approved.

New Business

1. The owners of Unit 110 submitted a sketch to be approved for changes to the landscaping of their unit to include the addition of added pavers and rocks. The request was approved.
2. Nancy Wenning (Unit 234) requested approval to install a sump pump at the rear of that unit to help alleviate the problem of excess water in that area. The request was approved.
3. A discussion was had regarding a review of the guidelines of the Social Committee to determine if the other committees should comply to those guidelines. Discussion on this matter was tabled until the next meeting.

Respectfully submitted,
Dick McClure
